# AS I RECALL . . .

### As I Recall . . .

This year at Goshen High School is one that we shall long remember. It was filled with many gay, as well as many unhappy events that we shall not quickly forget. The year 1958-59 will always be remembered by the seniors as the year of their long-awaited graduation from G.H.S.

Many activities will long be remembered after we leave the halls of G.H.S. The clanging of the alarm clock which shocked us from our world of dreams to face another day at school will not be forgotten. Sometimes when the proverbial midnight oil runs a little low, we wonder if the coveted "A" is really worth the effort, but believing that our success tomorrow depends upon the efforts we put forth today, we devote our time and ability to persistent work. Days, weeks, and months of study pass rapidly, and soon another year has gone.

The hectic activities, the football and basketball games, the wonderful dates, the stampede to the cafeteria line, the race against the tardy bell to classes, along with the bubble of chatter and laughter will always be remembered as part of the crowded halls in Our School.

But the fondest memories of all are the rewards of hard-won knowledge and inspiration that have been gained during the years that we have been a part of G.H.S.

In this book we have attempted to record by word and picture the highlights of 1958-59 in Our School. Long after graduation we will be able to look upon its pages and recall the wonderful events and memories we had during the years we spent in G.H.S.

# GOOD OLE SUMMERTIME

**SUN WORSHIPPERS.** Several members of the band work on their suntans on the sandy beach of the ocean at Atlantic City.

Vacation time means countless activities to each student of Goshen High School. Perhaps it is a trip, a week at camp, baseball or tennis at Rogers Park, or a picnic and swimming at Stone Lake.

What fun to be able to spend the mornings for extra sleep, an afternoon for a swim and sun tanning

**A STITCH IN TIME.** Jerry Snyder finds it necessary to make hasty repairs on his swimming trunks after a water skiing accident on Lake Wawasee.

at Wawasee Lake, and the evening with friends at Bower's exchanging the latest news.

At work or play, vacation time is used to the fullest, and when September 1 arrives, most G.H.S. students are again ready for another year at school.

**PRACTICE MAKES PERFECT.** Bob Rock, Shirley Hoffman, Christine Wolff, Judy Rock, Sue Pletcher and Steve McCloughen are pictured here with their instructor while at cheerleading camp during the summer.

# BAND ACCOMPANIES MISS INDIANA

MASS CONFUSION. Band members, loaded down with baggage, prepare to board the bus for Atlantic City.

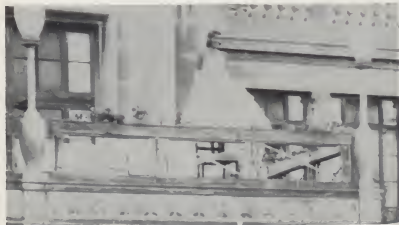

Anita Hursh, Miss Indiana, was the only contestant to have her hometown band accompany her in the Miss America Pageant at Atlantic City. The \$6,500 that sent the band to Atlantic City was raised by Goshen citizens in two short weeks.

After drilling for a month and marching from one end of Goshen to the other, the long-awaited day of departure came. In high spirits, 74 musicians

boarded the bus at 6:00 a.m. on September 1 for the 18-hour trip. They arrived weary but excited.

Tuesday evening the band serenaded Anita in her hotel. Then came the big parade. The band marched proudly down the boardwalk in front of television cameras and 150,000 spectators who applauded their approval.

MISS INDIANA. Anita Hursh listens with tears in her eyes as the band serenades her from below.

Tuesday and Wednesday afternoons were spent swimming in the ocean and shopping on the boardwalk.

Before leaving Atlantic City Wednesday evening, the band watched Anita compete in the talent contest in Convention Hall.

Upon arriving in Goshen Thursday evening, September 4, 1958, they were officially welcomed back to Indiana.

# HERE WE COME!

IT'S GREAT TO BE BACK! Debbie Turner, Marilyn Hostetter, and Fred Yoder look as if they enjoy getting back in the swing of school again.

WOE IS ME! Freshman Bill Davis doesn't seem to be so happy about the work ahead of him as he lugs his stack of new books up those seemingly endless stairs.

It's fall and time for school again! Students enjoy coming back, renewing old friendships, making new ones, and getting back to work after a long, wonderful summer. Freshmen, however, are still a

little dubious about high school and all the dreaded tests and semester exams they have been hearing about.

HI GANG! Lockers are always a favorite place for that last-minute gab before class.

# G.H.S. SPIRIT AT ITS PEAK

FAITHFUL G.H.S. ROOTERS. All loyal Goshen fans join in the snake dance preceding the Elkhart game.

ALL OUT FOR VICTORY. The band supplied music for the pep session on the court house lawn following the snake dance.

Red and white carnations, "G" sweaters, and loyal faces were just a few of the signs of an exciting evening ahead.

The game between Goshen and its greatest rival, Elkhart, made spirits soar at G.H.S. The annual snake dance and pep session were held by Goshen fans the afternoon before the Redskins met the Blazers at Rice Field in Elkhart.

GO GET 'EM, REDSKINS. Goshen fans go wild as Goshen nears a touchdown.

# COME ON AND HEAR

SERENADE TO A SAND DUNE. A big attraction of the season was a special number by the percussion section which climaxed the half-time shows.

For many years, the Goshen High School band, under the experienced direction of Reginald A. Brinklow, has been entertaining crowds with half-time programs during the football season. This year was no exception.

For the first home game of the season, the

band showed their fancy marching and formations in spite of their exhaustion from the trip to Atlantic City. They had just arrived home the evening before the game. Fancy doodles, Halloween formations, and the new "sack look" formations were some of the programs put on expertly by our band.

AWAY WE GO. The band prepares to go into formation for one of their programs.

CLASS RINGS ARE IN! Danny Berkey, Connie Pinkerman, and Cynthia Werner have found Dick Noel's junior class ring very captivating. All juniors look forward to the day they can go down to the jewelers and pick up their rings.

## WHAT'S HAPPENING?

Current activities occupy much of the G.H.S. student's time. Dances, ice skating in season, roller skating. Gy-rab, clubs, jobs, and games are just a few of the activities of many students. Music contests and athletics keep students working and learning to cooperate with others.

THE OLE' GANG. All loyal G.H.S. fans retreat to Miller's Restaurant after the basketball games to discuss and re-discuss the game of that evening.

RELIEVING TENSION. The students lose much of their tension by going into the hall at halftime of the games.

A warning to all small fry's: make sure you get in the right line of traffic . . . once you get in with the crowd, it's hard to get out!

## "LIFE WITH FATHER"

"NOW, VINNIE!" Father (Joe Chandler) seems to be remonstrating Vinnie, his wife (Sue Murphy) while Mary (Pat Gebert) and Cora (Trudy Crum) watch.

"Life With Father" was presented to capacity audiences on November 7 and 8 in the G.H.S. auditorium by the junior class. The well-known comedy was written by Clarence Day and directed by Mr. William Ney, Goshen High School speech teacher.

A not-so-typical Victorian family of the late 1800's, the Day family consists of Father, a hot-tempered, stubborn, red-head; his wife, Vinnie; who is the exact opposite in temperament, and their four high-spirited sons, John, Clarence, Whitney, and Harlan.

Father, Vinnie, their sons, relatives, and friends are all involved in the tremendous struggle between mother and father to have father properly baptized. Of course, with Clarence, Jr., an eligible young man of seventeen, a romantic interest is inevitable; and Mary, a visitor to the Day home, proves to be his "one and only."

The conniving and planning by mother, sons, relatives, and friends to outwit father made "Life With Father" a delightful experience both for the juniors and their enthusiastic audience.

"ENUNCIATE." Mr. Ney, the director, instructs the actors during the long weeks of rehearsals.

# GYRAB

NEVER TOO TIRED FOR THIS. A lively hop is enjoyed by G.H.S. students at any time.

SMILE WHEN YOU SAY THAT. Steve Berkey, Dave Redding, Mike Inebit and Jerry Snyder engage in a friendly game of poker, while Terry Snyder offers moral support.

Many G.H.S. students seem to find the time, despite homework and school activities, for an evening at Gyraab. The Goshen Youth Recreation Advisory Board has its center at 116½ East Washington. Almost any night of the week there is a crowd waiting for the door to be opened.

Here you can see students deep in thought over a game of chess or cards! Others are playing a game of pool or pingpong. Some prefer an evening of dancing or just listening

IN MY SOLITUDE. Sandy Hunter, tired of dancing, becomes engrossed in a magazine.

to the latest hits on the juke box. Another form of entertainment is television or perhaps just having a coke and gabbing with friends.

Gyraab offers Goshen youth a place to relax, make friends, and pursue their favorite pastime.

Officers for the 1958-59 season were: Jerry Snyder, president; Steve Yoder, vice-president; Karen Moriarty, secretary; and Terry Snyder, treasurer.

Mr. Lowell Frederick is the director. Charles Hart, Gene Holwerda, and Mr. John C. Board are the supervisors.

# LET'S GO TO THE HOP!

**STARS IN THEIR EYES.** After being crowned King and Queen of the football season, Bob Rankin and Judy Aust join the other couples on the dance floor.

**SING, BOY, SING.** Jim Johnston entertains the dance crowd with his record pantomimes.

**ROCK EVERYBODY, ROCK.** A record hop after a home game always draws a good crowd of G.H.S.'ers and visitors.

# LET US GIVE THANKS

WE GIVE THANKS. Father Cis addresses the student body at the annual Thanksgiving program.

Goshen High School students along with all other Americans took time from their busy schedules for giving thanks. Each year one period is used for a program sponsored by the Sunshine Society. The speaker for this year's program was Rev. James Cis of St. John's Catholic Church.

Thanksgiving should mean a great deal to each of us at G.H.S. We, as Americans, have so much for which to be thankful. To mention a few things, we have plenty, in fact, too much to eat; we live in a free country; there is prosperity for everyone who has ambition; and there is free education for all who wish to take advantage of it.

Thanksgiving should not be the only time we are thankful. Let us give thanks all through the year for our many blessings.

# FADS AND FANCIES

COLLEGIATE, MAN! Pam Ulery and Howard Burkholder are seen in the ever-popular trench coats fast becoming favorites at G.H.S.

DIG THOSE TIGHTS. Long colored tights, crewneck sweaters, blazers, and pleated skirts are standard at G.H.S., along with a pageboy haircut, for Sue Shellenbarger and Julie Kaminky.

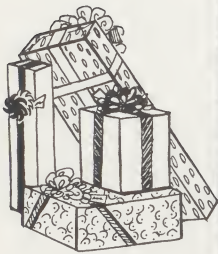

LOOK-A-LIKES. Steadies at G.H.S. often wear matching outfits as Steve McCann and Nancy Swart are shown here.

A-CHOO! Shown here blowing "Teddy's" nose, are John Hurst, Phil Hoth, and Tom Michel in the three favorite types of boys' sweaters at G.H.S.; the "Perry Como," "Italian," and standard "Crewneck."

# WINTER BRINGS

WINTER WONDERLAND. Goshen High School stands stately.

COME ALL YE FAITHFUL. The annual Christmas program presented by the G.H.S. has a new addition, a choral group directed by Mr. Ney.

# HOLIDAY SPIRITS

and beautiful under a fresh blanket of snow.

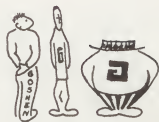

**FROSTINE REIGNS.** Pam Ulrey, Joe Chandler, Jim Yoder, and Christine Wolff enjoy the Snow Ball given by the Order of Rainbow for Girls. Frostine, the Snow Girl, was the hit of the evening.

**CRACK THE WHIP.** G.H.S. students spend much time at the Shanklin Memorial Park skating or just watching.

## NORMAL ACTIVITIES??

PLEASE HANG ON. Steve Cripe, center, seems to be having a little trouble. Tell us, Steve, how does it feel to have friends such as Ron Currier, left, and Jim Yoder? Remember: It is a long way down!

FOUND SOMETHING? What is so interesting, boys? Ed Moore, left, and Larry Hooley seemed to have found some very captivating material. Pat Ginter doesn't seem very curious. Notice the beautiful art work on the door!

HUNGRY, BOYS? Here are just a few of the hungry students who stand in line for their daily rations at the high school cafeteria.

# MIDYEAR MISERY

**RESEARCH, RESEARCH, RESEARCH.** The first semester never ends without research themes. Paul Day seems to have passed out from exhaustion, while Debbie Turner and Marilyn Hostetler are busy taking notes.

**A PAINFUL MOMENT.** Charles Tredway listens attentively as Miss Zook explains his grades to him.

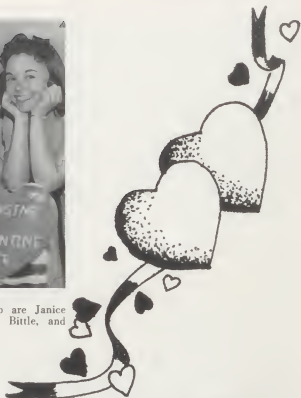

**PRIM AND PROPER.** Dressed-up day is quite a success, but Sally Lustenburger, Barb Brewster and Meredith Pronger find it a relief to kick off their shoes while they study.

## SWINGING 'N

SWEETHEART QUEEN HOPEFULS. Dina Eckleberger, Laura Hetler, Judy Aust, Karen Moriarty, Mary Ann Monschien, Nancy Swart, Sue Pletcher, Marlene Swinehart, Roberta Yoder, Ruth Ann Hippensteel, Sue Bolin, Cinda Shrock, Marcia Carringer, Christine Wolff, Karen Kilburn, and Cynthia Werner. Ballots for the final selection of the queen were pennies placed in a box for the candidates.

# SINGING HEARTS

WITH A SONG IN OUR HEARTS. The Crimson Echoes entertain the crowd at the Sweetheart Dance after a busy day of singing Valentines.

**SWEETHEART QUEEN.** Sophomore Marlene Swinehart is crowned at the Sweetheart Dance. Members of the court are King, Joe Chandler, Bill Johnson, Dina Ecklebarger, Mary Ann Mon-schien, Dean Deter, Roberta Yoder, and Jack Ogle.

**SWEETHEART BALL.** The Valentine season would never be complete without a successful sweetheart dance.

# HOBODAY

**RAGGED AND FUNNY.** Marilyn Garman, Tom Rose, Paula Hartzog and Barbara Bauge admire each other's costumes before hurrying on to class.

**BARREL O' FUN.** Shirley Melcher finds herself decked out in a barrel as she joins in the fun of Hobo Day.

The first day of spring brought a new experience to G.H.S.—Hobo Day. The idea for Hobo Day originated from a suggestion made to the Student Council through the suggestion box. A set of rules was drawn up for the big event. Slacks, Bermuda shorts, barrels, gunnysacks, and straw hats became acceptable articles of apparel. Many boys sported false beards, while pigtailes were popular with the girls. Chewing

gum was used to blacken teeth, and many a pair of bare feet pattered through the halls. The only restriction was that all hardware had to be checked at the door of the classroom. Although classes were carried on as usual, everyone, including the teachers, joined in the fun of wearing outlandish costumes. Hobo Day was declared a roaring success by all.

**THE ELITE.** Studying was found to be rather difficult in 205 on that memorable day.

# ANGEL STREET

SEE HERE, MR. MANNINGHAM. An early rehearsal finds Dave Redding, as Inspector Rough, questioning Steve Berkey and Jackie Juday —Mr. and Mrs. Manningham.

A Victorian thriller, "Angel Street," by Patrick Hamilton was the choice for the senior class play held on March 13 and 14 in the G.H.S. auditorium. The play was directed by William Ney.

The action of the play takes place in a house on Angel Street in the Pimlico district of London in 1880. Under a guise of kindness, handsome Mr. Manningham is torturing his wife into insanity. He accuses her of doing things he has arranged himself; and since her mother died of insanity, she is more than half convinced that she, too, is going out of her mind.

While her husband is out of the house, a police inspector visits her and finally proves to her that her husband is a criminal suspected of the murder of another woman fifteen years before, and that he is now trying to dispose of Mrs. Manningham. The plot consists of trying to uncover the necessary evidence against Mr. Manningham.

# Cotton Blossom

**POSTER GIRL.** Dancer Shirley Hoffman displays the poster which provided the theme for the show's opening number.

**LOUISIANA LADIES.** Shirley Melcher, Pam Porter and Dina Ekleberger delighted the audience with their dainty capers.

**CAN-CAN CUTIES.** The sophomore boys, not to be outdone, presented a riotous finale for the show.

"Standing Room Only" signs were out when the Class of '60 presented "The Cotton Blossom." This variety show on April 11, 1958, was under the direction of Sue Morgan. Dennis Hills was the capable Master of Ceremonies.

The show opened with Shirley Hoffman dancing as a poster girl; then came the "best band in the land," the Cotton Pickers, who played many numbers throughout the production. The Savannah Serenaders and Two by Two's entertained with barber-shop singing, while Shirley "Joe Fingers" Kehr made us dizzy with her piano version of "Dizzy Fingers."

Vocal solos were sung by The Delta Darlin' (Pam Ulery) and The Southern Belle (Suzanne Murphy). Mystery from the Bayous, presented by Dick Eklebarger, intrigued the audience; and the Tappettes delighted them with their rhythmic act. Our "Darkies," Sara Lou Gingerich and Trudy Crum, took us down "Ol' Man River"; and with them came the Muddy River Boys—Herb DeFreese and LeMar Shidler. We saw Herb team with Sandi Weaver, on the accordion, singing and playing the guitar. Sandi also played a solo on the accordion, helped by Ragene Schwartz on her "baby" accordion.

The audience was a little surprised when the lights went out twice, but their questions were stilled when Cynthia Werner and Jeri Holtzinger performed baton routines—Cynthia with a fire baton and Jeri with a lighted one.

Pantomimes were given by the Off Beats, Louisiana Ladies, and by Karen Alwine.

As our show was brought to an end, the Can-Can Cuties stepped out. These were twelve football players who attempted to dance the Can-Can and other specialty dance numbers. With a flip of their can-cans, the show ended and the sophomores had one more laurel in their hat with what they deemed to be a great success.

the 1990s, the number of people with a mental health problem has increased by 50% (Mental Health Foundation 2000). # Storybe

Prom night is always an exciting night for every junior and senior. Storybook Land was the theme of the 1958 Prom held at the Elks Club on May 2, 1958. The elaborate decorations, representing a world of fantasy, were constructed by the members of the junior class.

The Cinderella theme was carried out on the main floor. A large keyhole entrance led through a simulated tunnel to the basement and Alice in Wonderland.

Frankie Kit and his band provided dreamy music for the dancing from 9:00 p.m. until midnight. The highlight of the evening was the crowning of the king and queen. Pat Yoder and Mike Drevs were the lucky couple chosen by the class of '58. They were led to the center of the room in an elaborate pumpkin coach drawn by two white horses, where they were crowned king and queen on the stroke of 11:00 p.m. They then led the traditional grand march around the ballroom.

**THROUGH THE KEYHOLE.** Diana Bosse, Steve Berkey, Steve Yoder, and Karen Moriarty pause before descending for a coke.

**NOCTURNE IN NEVERLAND.** Happy couples swayed to rhythms by popular bands at both the Masonic Temple and the Moose Lodge.

# ok Ball

A very clever mice dance, portrayed by sophomore girls, preceded the crowning.

An all-night party following the Prom was sponsored by the Lions Club.

At the magic hour of 12 p.m., everyone proceeded to the Goshen Theatre to see a sneak preview of Tommy Sands starring in "Sing Boy Sing." More entertainment followed at the Moose Lodge, featuring Marv Hunter, WOWO disc jockey. Refreshments were served throughout the early morning and dance music was furnished by "The Signatures" and a "Jazz Combo."

Breakfast was served at 5:00 a.m. after which everyone went wearily home to catch some sleep, just about the time parents were getting up.

Steve Berkey was the capable chairman of the Prom. Miss Ethel Grogg, Mr. Don Yoder, and Mr. Tom Sovine were the sponsors who also helped to make the Prom such a memorable evening.

**CINDERELLA'S CINEMA.** Singer Tommy Sands was the feature attraction of the early morning movie viewed by the Prom-goers.

**THE MOUSEKETEERS.** A delightful tap dance by Sue Pletcher, Pam Porter, Pam Ulery, Jeri Holtzinger, Barbara Blessing entertained the guests before the coronation,

**CINDERELLA AND PRINCE CHARMING.** Pat Yoder and Mike Drees lead the grand march across the moat at the entrance of the ballroom following their coronation.

# OFF TO NEW YORK

A WONDERFUL TOWN. The majestic skyline of New York City welcomed the Class of '58.

On Wednesday evening, May 7, 1958, 109 seniors of 1958 boarded the Pennsylvania R.R. at Warsaw, bound for New York City. Approximately \$4,000 had been earned during the past four years to help finance this class trip. The boat tour around Manhattan Island where the Statue of Liberty, Ellis Island, and the largest clock in the world were seen proved to be a high point of the trip. Visits to the Empire State Building, the United Nations, and Radio City were also enjoyed. Free time was spent in Times Square, Green-

wich Village, Coney Island, shopping, or swimming at the hotel's swimming pool.

On the return trip, the seniors found they had a celebrity among them. Tennessee Ernie Ford and his family were traveling to their cattle ranch near Los Angeles. Despite a heavy schedule, Mr. Ford granted Tomahawk reporters an exclusive interview.

ALL ABOARD. The '58 Seniors board the train for their exhausting but unforgettable trip to New York City.

A CELEBRITY! Ernie Ford, as he was photographed in his compartment on the return trip.

# POMP AND CIRCUMSTANCE

**HOW DO I LOOK?** Everyone wants to look his best at graduation and signing *Crimsons* is a must.

Graduation! The long-awaited day arrives for the class of '58, carrying with it many treasured memories. With the autographing of *Crimsons*, they say good-bye to their friends and to the school.

Through the excitement of walking up the aisle and across the stage to receive their diplomas, comes a flashback of their four years in high school. These

four years brought hard work, experience in getting along with fellow students and teachers, and fun-filled events, such as the Prom and the senior trip.

As the seniors march out of the auditorium, they leave these old memories behind and go to face the future.

**SOLEMN SENIORS.** The auditorium was very still on this special night as the seniors listen attentively to the Commencement speaker.

# AS I RECALL . . .

## ACTIVITIES

The many organizations at G.H.S. play a vital and integral part in the life of a G.H.S. student. For the freshman, they are a method of getting acquainted with new classmates as well as an opportunity to meet upperclassmen.

Sophomores and juniors begin to develop leadership qualities as they participate in club activities. The senior's social life becomes more balanced and well-rounded as he holds offices and learns how to lead fellow students.

As we graduate, we realize that the lessons we have learned through our extracurricular activities will help us to become better citizens in our community.

Work on the '59 Crimson was begun last summer at Indiana University when the editor, Karen Overholt, and three of her assistants attended a two-week course in yearbook construction. A rough dummy using many of the ideas secured from these planning sessions was brought back to G.H.S.

The staff consists of 16 juniors and 17 seniors. These students have had to spend many hours after school writing and editing copy, gathering pictures, typing, and planning pages for the annual.

During the subscription campaign, the staff sold 825 Crimsons. The advertising staff began its work in early summer. A total of \$1,300 of advertising was sold to Goshen merchants.

Our sponsor, Mrs. Bernice Dwyer, was always on hand to advise us on the many details of producing a yearbook. We are grateful to her for reminding us of deadlines and for the many hours spent after school in helping us.

Editor, K. Moriarty; Sponsor, Mrs. Board; Assistant Editor, J. Snyder.

The Tomahawk is a bi-weekly paper distributed to Goshen High School students and faculty for \$1 a year. A member of the Indiana High School Press Association and the National Scholastic Press Association, the Tomahawk informs the students of school activities.

The staff is composed of sophomores, juniors, and seniors, with the executive jobs being held by all those members with one or more years of experience on the staff. All members are required to take a semester of Journalism I, and the executives are put in the Journalism II class, where experience in news-writing, copy reading, and newspaper make-up is secured.

An initiation for new members in the fall and a farewell banquet for seniors in the spring were the social activities.

## SCRIBBLERS

Many years ago Scribblers' Club was organized for the purpose of encouraging creative writing and stimulating literary interest and appreciation among Goshen High School students.

Meetings are held on the first Wednesday of each month in the school library. Manuscripts written by members are read aloud. An informal discussion follows, pointing up merits and weaknesses. Members realize they are able to learn from intelligent and constructive criticism.

The traditional Christmas dinner, senior farewell party, and talks given by guest speakers were enjoyed during the year.

Officers are Roxanne Gump, president; Jane Hos-

tetter, vice-president; Judy Van Winkle, secretary; Susan Hostettler, treasurer; Miss Eda Margaret Barnes, sponsor.

## SPEECH CLUB

Speech Club is a new organization at Goshen High School this year. Its object is to promote an interest in forensics. Many of the members participated in interscholastic contests and debates throughout the year. Another project of the club was a half-hour radio program on Station WCMR.

Officers are John Hurst, president; Tom Rogers, vice-president; Arlene Henry, secretary; Dwight Shumway, director of external affairs; Mr. William Ney, sponsor.

## LIBRARY CLUB

Ten years ago the Hoosier Student Librarians' Association was organized by a group of school librarians. The goals of the new student association were to encourage young persons to become interested in the various phases of library work and to attract good student assistants.

The activities are educational as well as fun. It has become almost a tradition that members of the club serve as guides for Back-to-School Night during National Educational Week. Also, each year members look forward to attending the state and regional meetings.

Officers are Thomas O'Dea, president; Margaret Miller, vice-president; Susan Hostetler, secretary; Diane Cameron, treasurer; Edna Margaret Barnes, sponsor.

## COMMERCIAL CLUB

The purpose of Commercial Club is to acquaint business students with employment and standards of achievement in the business field. Programs include guest speakers from business, recent alumni, and high school faculty. A field trip to Ball State or a business college is made in alternate years. Award pins are presented to the club and school.

Some other activities of this organization are selling carnations for the Goshen-Elkhart game and the sectional tourney, decorating the school building and Christmas tree, and sponsoring award pins for outstanding students in shorthand, typing, and business classes.

Officers are Sandy Hunter, president; Beatrice Haines, vice-president; Ann Siegmann, secretary; Diana Bosse, treasurer; and Mr. Charles Hart, sponsor.

## SUNSHINE SOCIETY

Helpfulness, kindness, charity, love, and giving intelligent service are the goals of all Sunshine girls. With these goals in mind, the girls have carried out their program for the year. Using the state-wide theme of "Sputnik," they have had school projects including a used-book sale, auditorium programs, and donations of plants and flowers to the classrooms. For the community, Sunshine has sponsored an Easter Sunrise service. A contribution was made to the Riley Hospital and the Sunshine nurse's scholarship.

Our social activities for the year have included an impressive formal initiation service, a "father and daughter banquet," a farewell supper for senior

members, a potluck supper for freshman girls, a style show, and a Valentine's Day Tea for Mothers.

Each month a girl was chosen by the members of the club to wear the Sunshine necklace. This girl followed the creed and lived up to the ideals of the club. At the end of the year, the girl receiving the most votes was presented the necklace as a gift.

Officers were Carolyn Duncan, president; Nancy Myers, first vice-president; Trudy Crum, second vice-president; Kaye Wade, recording secretary; Jane Hostetler, treasurer; Janis Hess, corresponding secretary; and Mrs. Robert Garwood, sponsor.

## MEDICORPS

Medicorp is composed of boys and girls who are interested in medicine.

The main purpose of this club is to further the medical knowledge and training of its members.

Field trips, guest speakers, work in hospitals, and discussions have stimulated their interests.

Medicorps is the sponsor of the Singing Valentines. All the money received is donated to a charitable organization.

Officers are Marsha Bittle, president; Lorna Ames, vice-president; Janice Plumer, secretary; Sylvia Burbank, treasurer; Mrs. Dorothy Nelson, school nurse, sponsor.

Science Club is composed of students who desire to learn more about the role which science plays in our lives today.

Club activities include trips and guest speakers.

Science Club meets every first Friday of the month.

The club officers are Ed Emmons, president; Dick Noel, vice-president; Steve Lantz, treasurer; Molly Martin, secretary; Mr. Elmer Bowers, sponsor.

## EUCLIDEANS

Not every phase of mathematics can be covered in the classroom. Students interested in exploring this subject find Euclidean's Club a source of further information combined with group fellowship and fun. Any student who has completed plane geometry or is enrolled in this course is eligible.

A trip to Chicago's Museum of Science and Industry sparked the year's activity. Representatives

in the math contests at Indiana University were financed by the club's money-making project of selling ads for football programs. Guest speakers as well as students presented programs at each meeting.

Officers are Jack Yoder, president; Neal McHoes, vice-president; Martha Starr, secretary; Kathy Straub, treasurer; and Mr. Fred Blosser, sponsor.

## NATIONAL HONOR SOCIETY

National Honor Society, a national high school organization, gives recognition to outstanding students. Members are elected on the basis of scholarship, with service, leadership, and character considered.

Membership consists of the upper 15% of the senior class and the upper 5% of the junior class.

Last year the "Student Loan Fund" was brought into effect. This fund will be available to members who wish to borrow from it to help pay costs of college.

Officers are Maurice Miller, president; Arlene Henry, secretary; Ron Massanari, treasurer; Mr. Carl Reiner, sponsor.

## STUDENT COUNCIL

The Goshen High School Student Council is composed of the four class presidents and five students from each class elected by their fellow classmates.

The Council represents the student body in the administration and tries to promote better co-operation and unity within the school. It also approves and selects our school-sponsored auditorium pro-

grams, the election of the cheerleaders and the G.H.S. Relay Queen and her court for the annual Goshen Relays.

Officers are Steve Berkey, president; Fred Yoder, vice-president; Marcia Harper, secretary; Beth Shoemaker, treasurer.

Dear Gaius Julius,

I was just reading a book when I found this quotation:

"Lingua est urbs ad aedificantem cuius omnis homo saxum oportavit."

"Language is a city to the building of which every human being brought a stone."—Emerson

This reminds me of one of our organizations, whose report I recently read.

The "Romani Cives" of the Goshen High School Latina Societas have built a firm Latin Club during the year 1958-59. The foundation was laid early. There were 197 members to help construct the club.

Some materials for the building were provided by the sale of candy. The formal installation of officers at the October meeting was an innovation this year.

The first social event was the "Saturnalia" at Christmas time.

Another phase of the construction took place at which all first-year members were initiated. Other material used in building was sending nine to the state and national conventions held at Butler and the University of Michigan.

The climactic roof on their building of the Latin Club year was the Roman Banquet.

I think that this Latin Club is one of the most clever and resourceful clubs in our Empire.

I highly recommend it as "Optima Latina Societas Anni."

Calpurnia

## FRENCH CLUB

French Club, now in its second year, has 37 members. A banquet at the end of the year, special programs about French customs and achievements, and perhaps a short play are being planned.

Officers are Cynthia Werner, president; Joe Chandler, vice-president; Judith Tassin, secretary; Jack Cripe, treasurer; and Mrs. Harris Whiteman, sponsor.

## PAN-AMERICAN CLUB

"Hola, Amigos," say the members of the Pan-American Club as they meet to learn more about the Spanish language and the customs of all Spanish-speaking people. Movies, speakers, skits, and parties are enjoyed at the twice-monthly meetings.

To become a member of Pan-American Club, a student must be enrolled in a Spanish class or have studied the language one year during his high school career.

Officers are Marilyn Bird, president; Caroline Cundiff, vice-president; John Turner, secretary; Sue Pletcher, treasurer; and Mrs. Robert Garwood, sponsor.

## FUTURE HOMEMAKERS OF AMERICA

"Toward New Horizons" was the motto of the Future Homemakers of America. A progressive dinner, a Sisters Tea, and a style show, were some of the activities during the year. A European travelogue, by Professor L. W. Schultz of North Manchester College, was sponsored as an auditorium program in the fall.

Officers are Linda Ames, president; Diane Berkey, vice-president; Sally Trimmer, treasurer; Irene Paul, secretary; Barbara Ritchie, historian; Bonnie Edwards, parliamentarian; Kay Holderman, editor; Norma Boyts, song leader; Sharon Kehr, pianist; and Mrs. Louise Ulrich, sponsor.

## COUNCIL FOR STUDENT ORGANIZATIONS

Council for Student Organizations consists of four class sponsors (one from each class), four class presidents, one representative of club sponsor, and the president of Student Council. The school principal serves in an advisory capacity.

Duties of the Council are to formulate policies for the raising and spending of funds, assign concession rights to athletic events, make dance assignments, consider the annual budget submitted by all organizations, pass on all special fund-raising projects, set up standards and requirements for the formation of new clubs, and carry on a continuous evaluation pro-

gram of existing organizations.

Mr. Mathews, assistant principal, acts as chairman, and Jack Guipe is secretary.

## BLENDING VOICES

Every third period on Monday, Wednesday, and Friday voices drift in harmony from the auditorium where Mr. Brinklow is rehearsing a sixty-six member choir. The choir participated in concerts December 19, February 19, and April 30. Choir festival at Michigan City was also a part of the year's activities. Singing groups as well as the entire choir

were always on hand to provide music for school and community functions. Music contests did not slide by without Goshen vocalists bringing home their share of medals. Officers are: Shirley Kehr, pianist; Dave Stump, organist; Connie Daub, secretary; Rodney Strycker, Dave Stump, librarians; and Margie Miller, Arlene Henry, robe managers.

## HARMONIZES

Distinguished as the only out-of-state high school band in the Miss America Pageant Parade, Mr. Brinklow's marching 76 began the year's whirl of activity with a bang. Other parades included: Elkhart Centennial Parade, Boy Scout Jamboree, Snake Dance, and the Memorial Day Parade. Participation in a mass band at Elkhart with Howard Barlow as guest conductor was also part of the first-semester activity. The marching 60 was a familiar sight at football games and a newly organized pep band provided entertainment at basketball contests. Concerts were given February 19 and April 30.

Individual musicianship was encouraged as many band members participated in the annual solo and ensemble contests. Mr. Brinklow and Mr. Schnellbach's criticism helped Goshen bring home her share of first-division winners. Officers are Sandra Hunter, secretary; Marcia Miller, Karen Kilbourn, and Mary Swietzer, librarians.

## MELANCHOLY STRINGS

Providing music for class plays, Senior Assembly, Baccalaureate and Commencement exercises are part of the orchestra's yearly activities. This year the group boasted an enlarged string section with the total number of orchestra members being 47. Concerts with other G.H.S. music organizations were given December 19, February 19, and April 30. Spring found musicians busily practicing for music contests with Mr. Brinklow standing by always willing to help with individual problems.

# AS I RECALL . . .

## SPORTS

That last drive across the goal line, that final basket made as the gun goes off, that burst of speed at the finish line, a hard smash over the net, an injured player, a tired water boy, an enthusiastic fan, a heart-broken cheerleader, the school colors decorating the goal post—all are seen in a year of Goshen High School sports.

SETS NEW RECORD. Fred Stockbarger of Mishawaka is shown here as he breaks the old shot put record of 53' 10 $\frac{3}{4}$ ". Fred's toss measured 54'.

Dr. Paul D. Forney presided over the 1958 Goshen Relays as honorary referee. Miss Connie Bryant, senior, had been elected relay queen by the GHS student body. Her court consisted of Miss Karen Moriarty, junior; Miss Shirley Hoffman, sophomore; and Miss Christine Wolff, freshman.

As the meet got underway, it became evident that Froebel, Central, and Elkhart would be the leading contenders for the Class A honors. The powerful Froebel team was able to defeat second-place South Bend Central in a close finish 69 to 62, with Elkhart taking third place with 53 $\frac{1}{3}$  points.

In the Class B competition, vying for top position were Auburn and Garrett. With a strong finish, Auburn was able to eke out a victory by a slim margin of 3 $\frac{1}{4}$  points.

Fred Stockbarger of Mishawaka threw the shot 54 feet breaking the old record of 53' 10 $\frac{3}{4}$ " set by Knee of Warsaw in 1955. The other class A record to fall was the Sprint Relay time of 44.8 set by Gary Roosevelt in 1956. The record was broken by Central with a time of 44.6.

The half-mile and the mile-relay records were also broken. Keith Lineback of Lakeville circled the oval twice with a time of 2:03.9 bettering the old record of 2:05.2. Rochester broke the mile-relay with a time of 3:40.7.

## CINDERMEN IMPROVE AS SEASON GOES

With flying feet and straining muscles, the Goshen tracksters began rigid practice sessions in preparation for their first meet. The team got off to a slow start but bettered their record as the season advanced. Jerry Snyder proved to be Goshen's leading scorer and broke the 440 record set by Bob

Rock. Jerry's time was 0:54:2.

Two Goshen lads, Bud Smith in the pole vault, and Jerry Snyder in the high hurdles, qualified for the Regional meet at Elkhart.

Goshen ended the season by winning their last two meets.

## BASEBALL TEAM OPENS SEASON STRONGLY

Goshen's 1958 baseball team began its season with wins over Wolf Lake and Washington Clay. However, inexperience hampered the Redskins and they lost their next nine games. The team lost heart-breaking games to South Bend St. Joseph and South Bend Riley by 2-1 and 4-3 scores, respectively. La Porte was Goshen's final opponent and the "Peckmen" came through with a 5-0 win.

Although the team finished with a 3-9 record, the prospect for next year's team is very good because only four boys were lost by graduation, those being: Phil Alwine, Ed Frantz, Bob Detwiler, and Gene Wolff. Coach Hal Peck has stated that there are many fine ball players coming up from the freshman and sophomore classes who should strengthen the team considerably. The returning lettermen include Steve Rathka, Bill Johnson, Ed Keil, Rich Yoder, Dave Guipe, and Tom Hutchinson.

Goshen's Cross-Country team completed their 1958 season with a 5-10 record. Returning lettermen Terry Clapacs, Dan Cregier, Tom Michel, and Warren Miller give high hopes for a successful team next year.

The Harriers defeated South Bend Washington, Milford, Millersburg, Howe, and cleaned up with a final victory over Penn Township.

## GOSHEN NETTERS PLACE

## SECOND IN ENIHSC

The Goshen high school tennis team had a top season this year as their 7-1 record earned them a second place in the ENIHS conference. Coach Tom Sovine has done an excellent job of building a team from his young lads. Bill Kercher and Dana Sherman were the only seniors on the squad.

Next year's team should once again prove to be one of the leading contenders for the conference title as seven of the nine lettermen will return. These include Al Fisher, Howard Burkholder, Pete Hooley, Kirby Whitehead, Dave Tingwald, Jay Kile, and Roger Golden.

## SKINS HAVE BEST SEASON

For the first time in fifteen years, the Goshen Redskins boasted a 7-3 record. Their 4-2 conference record earned them a second place tie in the ENIHS conference.

Goshen opened its 1958 football season with a 20-0 win at Garrett. The Redskins scored 14 points in the first quarter and from then on coasted to an easy victory. Both the offense and defense of Goshen looked good against the Railroaders.

The Redskins made their home debut at Foreman Field against the Bremen Lions. Once again the well-balanced attack of Goshen proved too much for their opponents as the "Skins" crushed the Lions 20-0.

In the third game with South Bend Riley, the Goshen lads came through with their first ENIHS win since 1955. The Redskins upset the Wildcats in a thrilling 31-13 ball game. The 31 points that

Goshen scored was the highest scored in an east division game since 1929.

A hustling Goshen squad pushed the Elkhart Blue Blazers to their limit before the rivals were able to beat the fighting Goshen team. The Blazers won in a close and hard-fought ball game 20-13.

In the Niles game, Goshen was held scoreless for the first time this season. The Vikings scored tallies in the first half and the Redskins couldn't seem to get their offense rolling as the game ended, 14-0.

Ending a fifteen-year jinx, the Goshen Redskins outscored the LaPorte Slicers with a 20-12 victory.

In the next game the Redskins were held scoreless by a powerful Central team. The "Skins" did well defensively against the state's No. 1 ranked team, stopping Central's usual breakaway runs. The Bears won 21-0.

THIRD ROW: LeRoy Rassi, Steve Cripe, Jack Kauffman, Steve Hay, Phil Saal, Jerry Smith, Resod Dysparos, Byron Holden, Bill Kintigh, Vern Leatherman, Tom Cripe, Terry Snyder. FOURTH ROW: Jim Marks, Howard Stitt, Jim Webb, Bob Goss, Gary Green, Jim Vander Reyden, Jack Guipe, Jim Bowser, Student Managers: Charles Osborn, Wilbur Leer, and Leon Miller.

## IN 15 YEARS

Goshen's defense was sharp as the Redskins whipped Hammond Morton 21-6. Goshen's offense did an equally fine job as they racked up 225 yards rushing and 137 yards by passing.

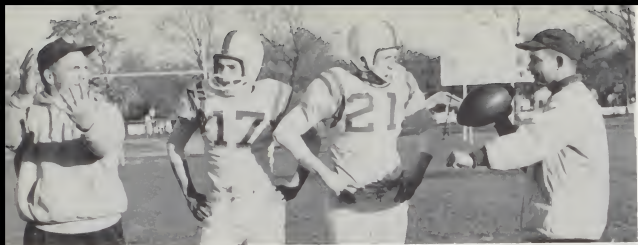

Goshen completed their home finale with a 27-13 victory over Fort Wayne North Side.

A high-spirited Redskin team overran the South Bend Washington Panthers 15-6 as they ended their 1958 football season.

The seniors who will be graduating are co-captain Steve Yoder, Ken Patton, Joe DeBiaggio, Bob Rankin, Ed Keil, Bob Nagle, Tom Leer, Skip Miller and Dave Redding.

## GOSHEN FROSH OUTSCORE RIVALS

Goshen's freshmen footballers compiled a total of 41 points while their opponents were only able to tally 19 points against a strong Redskin defense.

The plebes opened the season upsetting the team of newly formed Penn Township by a score of 25-0. In their next game the freshmen romped over New Carlisle 19-0. The skins traveled to Elkhart North Side for their third game where a constant rain kept both teams from scoring and the game ended in a 0-0 tie. The "Hokemen" suffered their first defeat at the hands of Niles as their offense

just couldn't get rolling. Although the team's defense was strong, the Nilesmen were able to push across the goal line for a touchdown to outscore the Redskins 6-0. Elkhart Roosevelt put up a real fight against the Goshen boys the following week and our team was pushed to its limits before winning 7-6. A strong St. Joe team refused to let the Redskins end their season with a victory and were able to reach paydirt once to beat us 7-0. The Goshen freshman team's record was 3 wins, 2 losses, and 1 tie.

## REDSKINS COMPILE 12-9 MARK

Goshen's Redskins opened their 1958-59 basketball season with a 51-41 win over the New Paris Cubs. The closest the Cubs managed to come was within six points. Dana Sherman, senior guard, hit a total of 17 points to back Goshen's attack.

Before 1800 fans the Peckmen handed Plymouth's previously unbeaten Pilgrims a stunning 43-34 defeat. Goshen's victory was a team triumph all the way with Jerry Snyder, Howard Burkholder, and Dana Sherman scoring 14, 11, and 10 points, respectively.

The Redskins suffered their first defeat of the

season at the hands of the Nappanee Bulldogs. The nip and tuck game saw the 'Skins holding their own until the last seconds when the Naps pumped in the decisive basket to drop the fighting Goshen boys 48-47. Keil scored 21 points to lead the 'Skins.

Scoring 26 points, Fred Bachman paced Goshen as the 'Skins scalped the Cadets of Fort Wayne 75-53 to win their third game in four starts.

Goshen's Redskins ran their winnings to four out of five as they defeated South Bend St. Joe 59-50 at the St. Joe gym. Fred Bachman pumped in 20 tallies for Goshen.

After leading 22-17 at halftime, the Redskins were topped by South Bend Adams 68-53. Goshen controlled the first half, but the Eagles bounced back to take the decisive lead in the second stanza. Pacing the 'Skins were Jerry Snyder and Fred Bachman with 12 points each.

Eged by a slim three-point margin, Goshen allowed the Central Bears their first win of the season. The 'Skins led at halfway mark 25-20, but the win-starved Bears came back with a big second half and managed a 53-50 win. Bachman paced the team with 19 tallies.

Sparked by Howard Burkholder's 23 points, the Redskins teamed up to hand Warsaw its ninth straight loss of the season. Goshen had trouble holding the underdog Tigers in the first periods, but pulled away in the final quarter to win their fifth game of the season 56-55.

Goshen took the first step toward the championship of the Kendallville invitational tourney by winning over the Concordia Cadets 50-40 in the opening game Saturday afternoon.

The 'Skins added a bright, shiny trophy to their display case by whipping host Kendallville in the final game. The "winner take all" game began with

both teams trading baskets and the quarter ended 14-11 with the Comets leading. Fred Bachman and Ed Keil paced Goshen with 15 and 14 points, respectively, as the game ended 59-46 with the Redskins out in front.

"The county game of the week" saw the Goshen Redskins put up a valiant fight but fall behind as the undefeated Concord Minutemen played a ball-control game to whip Goshen 69-60.

Goshen was crushed 60-44 by the Michigan City Red Devils as the 'Skins made a losing bid for their first conference win. Howard Burkholder's 16 points led the Redskins.

Goshen won its first conference game in four outings, defeating a determined Fort Wayne North team 48-36. Burkholder was high scorer with 23 points.

Although the 'Skins jumped to an early lead, they were unable to cope with the sharpshooting of the South Bend Washington Panthers. The Panthers caught fire in the second half to defeat Goshen 58-50. Ed Keil paced the Redskins with 18 tallies.

Goshen outfought and outscored Auburn to post a 77-47 victory over the Red Devils. Ned Underwood led Goshen with 15 markers.

#### LETTERMEN STILL LEARN

Coach Hal Peck is shown here diagramming a play for his six returning lettermen. Seniors Jim Johnston and Ed Keil are shown left to right, in front and standing are Dana Sherman, Dwight Nelson, Howard Burkholder, and Jerry Snyder. A seventh letterman, Tom Hutchinson, is sidelined with a football injury.

HEAD COACH Hal Peck maps out some strategy before the next game.

Closing up the home season on Friday the 13th, Goshen took an easy 63-49 victory from South Bend Riley for their second of eight east division attempts. The Redskins were really moving and started the game with an 18-7 first quarter lead. Snyder scored 16 and Keil followed with 14 points.

Goshen's Redskins won their second conference game in a row defeating the Mishawaka Maroons 67-58 in their recently remodeled gym. Senior forward Jerry Snyder led the way with 21 points.

In the Elkhart Sectional the Redskins drew the tough Concord Minutemen in the first round. The Minutemen showed everyone in the huge Elkhart gym just why they remained unbeaten in their regular season as they rolled over the Goshen lads 78-45.

This game ended the basketball careers for the following seniors in Goshen High: Ed Keil, Jerry Snyder, and Dana Sherman.

The Goshen Redskins battled the Elkhart Blue Blazers right down to the wire before bowing to a grudging 70-65 defeat. Although the lads came up with their best performance of the season, they were unable to cope with the high shooting percentage of the Blazers. Bachman was Goshen's big gun with 21 points.

Striking like lightning from anywhere on the floor, the LaPorte Slicers handed the 'Skins their second loss in a row. The Slicers hit an amazing 61% of their shots as they downed Goshen 96-70. Burkholder and Bachman led the 'Skins with 22 and 19 tallies, respectively.

The Peckmen collected their tenth win of the year by thumping the Kendallville Comets 72-62. Ed Keil and Jerry Snyder led Goshen in the scoring department with Keil getting 18 points and Snyder collecting 16.

This win brought the 'Skins record to 10-8 for the season with only one remaining home game, that being with Riley.

PALEFACES HAVE SUCCESSFUL 12-8 SEASON

Working under the able coaching of George Glass, the Goshen B-Team compiled a fine 12-8 record for themselves. The Palefaces opened their season by winning five games in a row before bowing to South Bend Adams in a thrilling 31-29 tilt.

In the B-Team tourney, the Goshen boys were

downed by Elkhart 45-39. However, when they met with this same team later in the season, the Palefaces upset them, 37-35. Goshen was pitted against Plymouth in the consolation game and came out victorious.

Coach Glass's team ended the season with wins over South Bend Riley and Mishawaka.

# AS I RECALL . . .

## ACADEMIC

As the warning bell sounds in the morning, the halls of Goshen High School are filled with the sounds of locker doors being slammed and hurried conversations as the students rush to their first-period classes. This is the start of a busy day of classes, study-hall periods, the five-minute rush between classes, tests, quizzes, and all of the other things that make a typical day at G.H.S. Outstanding courses, tough courses, compulsory two-hour semester tests, sitting in hard seats, and starting themes at the last minute are all memories of the students' classroom days. A popular opinion is that "a student's homework is never done" as the halls of G.H.S. are emptied and the students go home to burn the midnight oil.

# BETTER TECHNICIANS THROUGH

One of the main reasons for a stiffened curriculum in Goshen High School is the need for qualified scientists. Many high schools in America do not maintain adequate laboratory facilities; but Goshen High School hopes to improve in this field with a future remodeling program.

Goshen High School requires one year of science. To help the students fulfill this requirement, courses in Biology, Chemistry, Physics, and Applied Science are offered.

In Biology, the students get their first glimpse of science while studying about plants and animals. Chemistry students, while working in the laboratory, study chemical changes as part of their assigned work. Those studying Physics are concerned with the physical changes of matter and energy. Applied Science acquaints the students with various fields of chemistry, physics, earth science and astronomy.

Paul Yoder, Sandie Dixon, and Rodney Strycker demonstrate a physics principle to their classmates.

Bud Herrington, Tom Michel, and Cynthia Werner do a laboratory experiment in Chemistry class.

Janice Plummer, Stanley Timmins, Doug Stringfellow, and Phyllis Yoder work on the dissection of a frog in Biology class.

# SCIENCE AND MATHEMATICS

Marilyn Jensen, Phillip Holdred, and Fritzie Ridenour put their assignments on the board in their fifth period Algebra class.

Marlene Swinehart and Jack Kauffman are busily working on proofs to their Geometry problems.

A one-year course in mathematics is necessary to complete Goshen High School graduation requirements. Eleven semesters of mathematics are offered.

In his freshman year a student may elect to take either General Mathematics or Algebra. General Mathematics is a refresher course while the first course in algebra concerns equations and their solutions. A student may elect to do advanced algebra work in Advanced and College Algebra.

Plane Geometry concerns proofs and problems about figures in one plane. Solid Geometry students study figures that are three dimensional. In Trigonometry the triangle and its measurement are studied.

Mr. Blosser demonstrates the proper use of the slide rule to Paul Day and Mickey Stump in Trigonometry class.

# WRITING AND SPEAKING PREPARE

After putting her part of the assignment on the board in Journalism class, Jeri Holtzinger scans Judy Miller's work.

English is required for three years in Goshen High School. Freshman and sophomore students take grammar one semester and literature the second.

Junior students take American Literature. Correlation is made between American Literature and U. S. History.

Senior English and English Literature are elective courses for seniors. During the first semester the student learns the more complicated forms of grammar. His composition is tested as he is required to write many kinds of themes. Near the end of the first semester he is assigned his biggest project—a research paper.

As the second semester draws to a close, the student finds himself becoming very well acquainted with William Shakespeare and other noted poets. An original short story is completed by each student during English Literature.

Miss Zook is busy near the end of the first semester as she explains points in writing research themes to Janet Brown and Larry Gill.

# US FOR A MODERN WORLD

All juniors are required to take the course in American Literature. To complete the semester and graduation requirements in the field of English, these students may choose Speech, Debate, Dramatics or Journalism.

Journalism is recommended for those students who wish to join the high school newspaper staff. Experience is gained in newspaper writing.

Public Speaking instructs the students in the proper methods of oral English. Preparation, organization, composition and speech delivery are studied and evaluated.

Debate covers the study of panel discussions and symposium forums. The students participate in these activities and later in the course present several rounds of debates.

During the first part of Dramatics, the students learn to understand, interpret and appreciate selected dramas. The second phase of the course is devoted to technical training in the interpretation and presentation of plays.

During his speech, Tom Rogers emphasizes one of his main points.

Susan Schrock, Robin Urmston, Jim Kintigh, and Mike Casey participate in a group discussion.

# UNDERSTANDING

In their Latin class, Rene Schnobelen and Gary Green explain the derivation of some of our Latin loan words.

Latin I, one of the six elective foreign languages offered in Goshen High School, concerns a study of inflection, pronunciation, word derivation, Roman mythology, and early Roman institutions which have influenced our present culture and civilization. Latin II emphasizes fluency of translation and involves a great deal of work with the translation of Caesar's Gallic Campaign.

Spanish I includes a study of many aspects of the Spanish language as well as the life and culture of Spanish-speaking people. This course stresses Spanish conversation and writing. Spanish II is an advanced study of some of the aspects of Spanish I. Current Publications and classical selections in the language are read.

Beginning French concerns French grammar, both spoken and written, and an insight is given into the customs and achievements of the French people. In second-year French, special attention is given to many of the idioms that give the language its character.

Sandra Cramer works at the board on some of the French class's vocabulary.

Mrs. Garwood, Betty Masters, and Pat Knight investigate some of the history behind the posters on the bulletin board.

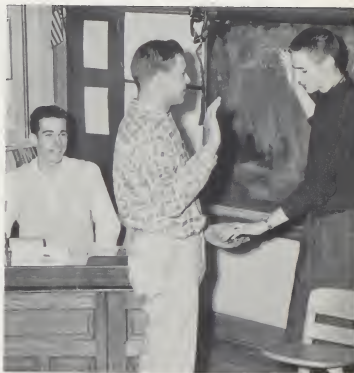

# OUR WORLD

World History, an elective course, starts with an introduction concerning the beginning and spread of different civilizations. The major emphasis of the course is upon the period from 1870 to the present. United States History, a course required to complete graduation requirements, presents the story of our nation's past and present.

Civics and Citizenship are both government courses. The Declaration of Independence, the Constitution, and our present government are studied with an aim toward creating loyal, informed citizens.

Sociology consists of a large variety of problems that grow out of the study of society. The students learn ways to adjust to our complex social order. Economics provides an introductory survey of our economic society. Our system is compared with other economic systems throughout the world. Psychology provides an opportunity for the students to learn more about themselves as individuals in order that they can live more useful lives in our extremely complex world.

Mr. Nelson, the psychology teacher, uses Larry Deisch as a patient to demonstrate psychoanalysis to the class.

Jim Johnston, Ken Patton, and Dick Noel are participating in a mock trial in Economics class.

Mr. Sovine and Mary Ann VanAuken study the physical features of a map of the Louisiana Purchase in U. S. History class.

# CAREER PREPARATION

Advanced shorthand students are timed as they take dictation under the direction of their teacher, Mrs. Dwyer.

The business education department in Goshen High is equipped to handle many different types of career-minded students. The subjects offered vary from the skilled vocational courses to the one-semester course in personal typing.

A G.H.S. student interested in becoming a secre-

tary has a good choice of courses in typing, shorthand, secretarial or clerical training, office machines, or bookkeeping. Other elective courses are retailing, law, general business, and business arithmetic. All of these courses are open to any G.H.S. student who may wish to take them.

In her bookkeeping class, Barbara Huber concentrates on making her debits equal her credits as she records typical business transactions.

One of the personal typing students, Virginia Spry, works diligently preparing a manuscript.

# STRIVING FOR PHYSICAL FITNESS

Health and Physical Education are required for both boys and girls. Usually both courses are completed by the end of the sophomore year.

Health deals with personal and community health problems that are important to young people and adults. Some time is spent on driver education.

Boys' Physical Education provides opportunities for boys to develop strong and healthy bodies. The boys engage in such sports as basketball, touch football, track, dodge ball, and relays.

Physical fitness and recreational skills are stressed in the Girls' Physical Education classes. The students try to develop poise, good posture and graceful bodily movement while participating in exercises, games, and individual and group sports.

Students in the Boys' Physical Education class enjoy a game of touch football.

## OBJECT—SAFETY FIRST

Mr. Hoke, the Driver Training instructor, tells Karen Johnston how to adjust the driver's seat.

Driver Training, a nine-week course, instructs the students in the fundamentals of driving such as shifting gears, turning, backing, parking, and driving in traffic and on the highway. Another purpose of the course is to emphasize the necessity for observing all safety and traffic rules and regulations while one is driving a car. Students who successfully complete this course are prepared to pass the state test required to secure an operator's license.

## BETTER FARMING

Mr. Sabin and the members of his Agriculture class examine several ears of corn.

Part-Time Farming is a one-year course for beginning students in vocational agriculture. The course explains how city workers can effectively purchase and run farms on a part-time basis.

Animal Husbandry instructs in the selection, feeding, care, and management of livestock from the viewpoint of the part-time farmer as well as from the viewpoint of the largescale producer. The major emphasis in the course is upon cattle, swine, and poultry.

Soils and Crops deals first of all with the different problems of practical soil management. Later it deals with the different varieties of crops grown in the corn belt.

## IMPROVED HOMELIFE

Violet Swank works busily in her homemaking class sewing the lining in a skirt.

Homemaking I is the first of four one-year courses offered to girls to prepare them for their future roles as America's homemakers. It advises students regarding their personal and social problems. Cooking and sewing are also offered. Homemaking II students make clothes and study food needs and health; desirable family relationships; budgeting and purchasing.

Homemaking III recognizes the problems that exist in the home and suggests ways to solve them. In Homemaking IV the students are given instruction regarding family and community responsibilities and make a brief study of the vocational opportunities for trained people in home economics.

## CREATING FOR ENJOYMENT

Art I is a one-year beginning exploratory general art course open to all students. A great variety of different materials and techniques are used for creative self expression.

Designs and Crafts is a one-year course which stresses the making of useful objects that show high standards of workmanship and appropriate application of design. Some of the crafts that the students explore are stenciling, modeling, weaving, metal work, sculpture, ceramics, block printing, and free brush painting.

Advanced Art is a course which continues Art I and is from one to three years in length. Each year new problems appear in the course of study offered. The students do considerable work in figure drawing and composition while exploring new media as well as innovating techniques of their own.

Ted Bell and Mike Honcharenko do water color painting in their art class.

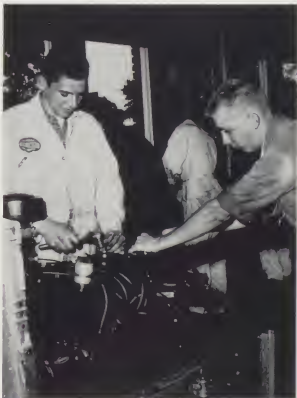

## CREATING FOR USEFULNESS

General Shop and Advanced Woodworking students work with wood, metal, electricity, drafting, and power machinery. Commonly used tools and simple objects are made from metal in Beginning Machine Shop. Advanced Machine Shop continues with a more detailed operation of metal work. A place for boys to prepare for apprenticeship in trade schools and factories is in the Vocational Machine Shop classes.

Auto Mechanics and Vocational Auto Mechanics give students a better understanding in the selection, repair, and maintenance of parts of an automobile. Beginning Mechanical and Machine Drawing students study lettering, drafting, and blueprints connected with machine construction. Architectural Drawing involves designing and construction of small buildings.

Dennis Wiese and Jerry Myers work on an automobile engine in Vocational Auto Mechanics class.

# AS I RECALL . . .

## FACES

The faces of G.H.S. are as many and as varied as one's imagination will allow. There is the face of the person who has just received something wonderful; he is happy, and his joy spreads to those around him. There is the bereaved face of the one who, through death, has lost someone very dear to him. There are the radiant faces that gaze at one another as they stroll down the hall—the wonder and excitement of first love. There are faces reflecting anxiety over an approaching exam, daydreams of last summer's romance, happiness over a good grade card, and the effervescence that comes from simply being alive and young. Yes, these are the faces seen every day at G.H.S. They are what makes the school a living, breathing, feeling soul rather than only a brick and concrete structure.

# OFFICE OF THE SUPERINTENDENT

Superintendent Robert B. Weaver, Walter A. Weiskittel, Paul W. Kauffman, G. A. Haberstich, Mrs. LaVerne Hostetler, and Frank E. Ridenoure comprise the 1958-59 Board of Education.

Mrs. Josephine Young and Mrs. Roberta Rowell do the bookkeeping and secretarial work for the Superintendent's office. Mr. Harold H. Bechtel is the Director of the Curriculum and Research Department for the Goshen public schools, and Mr. Robert B. Weaver is the Superintendent of Schools.

The 1958-59 Board of Education consists of four men and one woman who have been selected by the city council to act as a policy-making body for the Goshen public schools.

A few of this board's duties are to hire new teachers and administrators, approve the budget, let contracts for school construction, and to translate the public's wishes into policies pertaining to the operation and function of the schools. They also assist in determining curricula and policies with respect to educational matters.

The board's decisions are carried out by the Chief Executive Officer, the Superintendent of Schools.

# OUR PRINCIPAL AND HIS ASSISTANTS

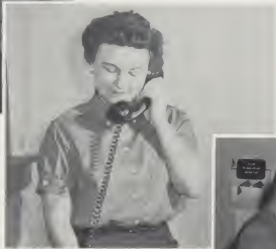

Our principal, Mr. Thomas J. Starr, is in charge of the administration of Goshen High School. He is appointed by the Board of Education through the recommendation of the Superintendent of Schools. In addition to his regular school duties, the principal must comply with all North Central Association and State Department requirements. He must also make reports to the Superintendent of Schools, the School Board, the State Department of Education and the North Central Association as required by each organization. He also recommends the employment of personnel. In addition to performing these duties he always finds time to attend school activities and to confer with G.H.S. teachers and students at any time they wish to talk with him.

Mr. Carl Reiner and his secretary, Mrs. Nelson Rock, guide the students of G.H.S. in planning their courses of study so that they may qualify for a particular college or vocation.

Mrs. Fred Blosser's cheery voice is the first contact which many people have with the high school. Answering the phone, writing checks, keeping books for the extracurricular funds, recording grades on permanent office records, selling books and supplies to the students at noon and between classes are just a few of her many duties in the principal's office.

Dart Bemenderfer daily checks the attendance of all students.

# PEOPLE BEHIND THE SCENES

Mrs. Helen Roth, Mrs. Jane Hart, Mrs. Dorothy Sherman, and Mrs. Bessie Tice, are busily serving hungry students their noontime meal in the cafeteria.

Mrs. Florence Leonard, Mr. George Hapner, Mr. Jim Wogoman, and Mr. Charlie Burkett pause for a moment before continuing their duties in keeping G.H.S. clean.

Mr. Paul Bontrager and Jerry Holtzinger maintain the furnaces in order to provide heat for G.H.S. Mr. Bob Holtzinger, who is also a member of this staff, is not present.

# SENIOR CLASS

These seniors were elected to lead the class in its final year at G.H.S. ROW 1, left to right: Judy Aust, treasurer; Laura Ann Hetler, secretary; Margaret Miller, sergeant-at-arms. ROW 2: Dave Hartzler, vice-president; Tom Pringle, president; Bob Rankin, sergeant-at-arms.

Senior class sponsors were Mr. Tom Sovine, Miss Ethel Grogg, and Mr. Don Yoder. They have helped us greatly during the past four years, and we appreciate their guidance and patience with us.

As our high school careers drew to a close, we the members of the Senior Class of 1959 began to work diligently towards our senior trip.

The election of officers began our final year in high school. Soon after this, we were busy planning our trip and working on our many class projects.

Our play, *Gas Light*, was a great success and a big step on the way to New York, which we had chosen as our trip destination.

Our caps, gowns, name cards, and announcements were ordered in preparation for graduation.

As a final climax to our years in Goshen High, the juniors planned a beautiful Shangri-La Prom for us. The night flew by and before we knew it we were home again.

At last the wonderful night of anticipation was here and, as we marched down the aisle to the music of "Pomp and Circumstance," our last days in G.H.S. came to a shining end.

JUNIOR CLASS OFFICERS: SEATED, left to right: Elaine Keil, secretary; Bob Rock, vice-president; Sue Murphy, sergeant-at-arms. STANDING, left to right: Tom Michel, treasurer; Bill Johnson, president and Ken Leveno, sergeant-at-arms.

JUNIOR CLASS SPONSORS: Mr. Harold Kastner, Miss Lois Kyler and Mr. Ralph Peterson have always been on hand to help us in our many class activities.

When the class of '60 entered the halls of G.H.S., we found something new awaiting us—the fact that we were now upperclassmen!

Our class sponsors, Mr. Harold Kastner, Miss Lois Kyler, and Mr. Ralph Peterson, and our class officers helped us to realize that we must get down to business and start earning more money for our senior trip.

Starting off the year, we had great fun sponsoring the first dance. Besides having many more dances, we sold concessions at both football and basketball

games. Our junior play, *Life With Father*, was presented on November 7 and 8. A party at GYRAB afterwards celebrated its great success.

We began planning earlier in the school year for the hi-light of our junior year—the prom. Much effort, time, and planning made the prom a long-remembered event. The last part of the year flew quickly by and we realized that our senior year would soon be here.

We feel that we can look back upon our many accomplishments as juniors with much satisfaction.

# SOPHOMORES

**SOPHOMORE CLASS SPONSORS:** Left to right: Mrs. Harris Whiteman, Mr. James Nelson, and Miss Virginia Pletcher, have helped us immensely in completing a full sophomore year.

**SOPHOMORE CLASS OFFICERS:** STANDING, front to back: Joy Speicher, sergeant-at-arms; Gerald Hurst, sergeant-at-arms; and Jim Blair, vice-president. SEATED, from front to back: Marlene Swinehart, treasurer; Jack Guipe, president; Marcia Garringer, sergeant-at-arms; Terry Emmons, sergeant-at-arms; and Karen Kilburn, secretary.

Once again the doors of G.H.S. opened and the class of 1961 entered as sophomores, greatly anticipating the year ahead and planning to make it one of their best.

We were immediately assigned a new sponsor, Miss Virginia Pletcher, who, with Mrs. Harris Whiteman and Mr. James Nelson, has helped us through our remaining years of high school.

One of our first projects was selling Goshen Redskins jackets, something no other class had done before. This helped our slowly growing treasury. Then turning fun and work into a money-making project, we sold concessions for the Goshen-Central football game.

In February we sponsored a Valentine dance. The Variety Show in the spring on which the class and sponsors worked very hard was also a great success.

Before we knew it, our sophomore year was over. We'd had our problems and difficulties along with our good times, but we'll always look back on this year as one of our best.

# FRESHMEN

We, as freshmen, started our first day of high school pushing our way through G.H.S. halls in an effort to find our classes. Of course, the upperclassmen were a big help! But after a few days of this, we got into the full swing of things.

We started building our treasury with our first project of selling concessions at the Hammond Morton football game. A leaf rake on the campus was another of our contributions to the school. The magazine sale contributed greatly to our treasury but we would like to have been ahead of one of the upper classes. We are expecting to do better next year. As soon as the basketball games started, we began checking coats. When spring came, we worked hard to sell our quota of tickets. In all of these activities, our class sponsors, Mrs. Pat Flatter, Mr. Warren Freck, and Mr. Marion Bontrager were right there to help us.

Before we knew it, our first adventurous year at G.H.S. was over, and we were left with the many memories of a very exciting year.

FRESHMAN CLASS SPONSORS: Left to right: Mr. Warren Freck, Mrs. Pat Flatter, and Mr. Marion Bontrager.

FRESHMAN CLASS OFFICERS: STANDING, from left to right: Dave Gross, sergeant-at-arms; Fred Higgins, president; and Gary Pletcher, sergeant-at-arms. KNEELING: Betty Inebnit, treasurer; and Sue Michel, secretary.

## ADVERTISING

The heart of any town is its business district. It is this organ that pumps the lifeblood of the town, that determines its prosperity or its poverty. Indeed, it determines the actual life of the town.

And thus it is with our yearbook. Our advertisers are the life organ of our book; without them, it would not have been possible. To these people—the manufacturers, doctors, salesmen, servicemen, beauty operators, dentists, and many, many others—we owe our thanks.

The Crimson staff wishes to express its appreciation to Mr. Gordon Moore and his son, Ed, for the time and effort which they put into the photographs for our yearbook. Without them our book would not have been possible. Thanks again for a job well done.

# GOSHEN HIGH SCHOOL

## GOSHEN, INDIANA

Spring, 1959

Dear Friends,

As our school year 1958-59 nears its end. I would like to thank everyone who has contributed time and talent to make our Crimson possible. We owe a great deal of thanks to our advertisers for their loyalty and assistance. Their patronage has made this book possible.

We would especially like to thank our diligent, hard-working sponsor, Mrs. Berniece Dwyer, who has pushed and prodded us as we worked to meet our deadlines. We are very grateful to her for the patience and advice she expressed while helping us with our yearbook.

To our photographer, Mr. Gordon Moore, his son, Ed, and Mr. Melvin Troyer, Goshen News photographer, we would like to express a special note of thanks for the pictures they have taken for our annual.

We wish to extend to Mr. Starr and the G.H.S. faculty our appreciation for the assistance and support which they have given us during the year.

We are also very grateful to our publishers, The Taylor Publishing Company, Dallas, Texas, for the superb way in which they have presented our book.

As editor of the 1958-59 Crimson, I would like to personally thank each member on the staff for his hard and untiring work. The year had its ups and downs as we rushed to meet our deadlines, but the good times we have shared far outweigh the bad ones. To everyone, who has contributed to our yearbook in any way, I again say, "Thanks."

Sincerely,

*Karan*

Karan Overholt

Was the Edison staff: want to express our appreciation to Mel Tinger, who has been a grand 16 shutter with us the pictures he has taken. Mel, with his Speed Graphic camera, is a familiar figure throughout Elkhart County. His superior photography was recognized by the Indiana News Photographers Association. He was given the award for making the best spot news photograph of 1938.

For so many kindnesses to the various farmers here at our staff, we again say, "Many thanks, Mel."
